## This week we've been learning...

All about nature! First we found some worms living in our grass, watched the ants walking in a line and then found some snails in our tree!! Some of us even held the worms & let them wriggle over our hands, which tickled. We made sure we washed them clean afterwards!! We've done gluing and painting this week to, creating a beautiful fairy house and making patterns using lego blocks. We even used shaving foam on the table to draw pictures in.

## Staff News

Jaz recently had another visit from her lecturer and in 2 months has already completed 6 units, with another visit scheduled for October.

School holidays is fast approaching, so be sure to let us know if you need to add extra days in or cancel any bookings so no-one misses out!

We must say a **huge thankyou** to the Dowerin Farmshed for the very kind donation of the water tank, come next winter it will be all fully connected to the guttering, saving precious water we can recycle onto a garden
