This week we've been....

Spending as much time outside as possible in the beautiful sunshine, setting up a craft table for gluing, playdough and a quiet reading corner on the lawn. We've also been doing lots of fine motor work with threading & cutting. As well as using the musical instruments to make our own beats.

Staff News

This week we were lucky enough to have Kate come in from school to complete some work experience. We all thought it was great to have Kate here and we hope she enjoyed it too. Thank you to Dowerin District High School for allowing us the opportunity to host a student for work experience.

We would like you to all be aware that, unfortunately, there seems to be conjunctivitis going around at the moment, as well as viral infections.

Upcoming Events & Activities

- School holidays, 28th, 29th, 30th of September, 5th, 6th & 7th of October. Remember to let us know if your bookings change for this period.

HELP US MAKE OUR FACILITY EVEN BETTER!

Lil'Tigers ELC are raising funds for a sheltered outdoor area to enable the children to play outdoors when it's raining outside.

Thank you to everyone who has donated their Field Days hours to us, it is very much appreciated.

Our SONG of the week

Wash, wash, wash your hands,
wash your hands today,
Merrily, merrily, merrily
Wash the germs away

(a song that we have begun singing when washing our hands...to the tune of Row Your Boat)

We're open every Wednesday, Thursday and Friday! Come in for an hour or a whole day! Contact Centre Manager Jaz to find out more!
