Dear Member,

The Dowerin Community Club has now been in operation for over 12 months and I am happy to report that the management and usage of the facility is going very well.

As with any new facility, there are always changes, upgrades and issues that may need to be addressed as the operation of the facility progresses. The committee is open to discussing our member's constructive feedback and would encourage anyone that does have any queries or concerns to contact a representative of the committee in order to discuss them or alternatively complete the form below and return it to either the club or the Shire office.

Please note also that a comments box is available at the Dowerin Community Club which members are encouraged to utilize should any further queries, questions or concerns be had in the future.

Kind Regards,

Richard Waugh
Chairman of the Dowerin Community Club

I have feedback/concerns regarding:
