

## Dowerin Recreation Strategy 2015 – 2025

### Community Feedback Form

This Recreation Strategy has been developed through feedback from the community (via surveys and comments register) and key stakeholders (sporting clubs/associations) in order to provide a ten year strategic direction for the future provision and management of recreation assets, programs and services in the Shire of Dowerin. The Strategy aims to identify the recreational needs of our community, the opportunities which currently exist and the appropriate actions to meet identified gaps and improve current provision. This Strategy does not attempt to provide the answers to all the recreation issues in Dowerin; it instead provides a strategic framework to determine the priority needs and issues and assist long term planning for recreation.

Before adoption by Council, this strategy is available for public submission until Monday 9<sup>th</sup> November 2015. Please read the document carefully and advise any feedback, changes or comment on the form below and return to Louise Hagboom at the Shire of Dowerin or email [cdo@dowerin.wa.gov.au](mailto:cdo@dowerin.wa.gov.au). All feedback remains confidential.
