## ALLSOPP, Wayne

Hi, my name is Wayne Allsopp. I have decided to nominate as a Dowerin Shire Councillor. I have lived in Dowerin for 50 years. In that time I have gained considerable insight as to what makes Dowerin the great Shire it is today. That is not to say we do not have issues. Some of these issues that I am concerned about are:

- Creating jobs for our youth
- Diminishing businesses in the main street and finding new businesses to replace them
- Continuing to support the Shire Council to develop an inclusive environment
- Finding interesting ways to encourage more Tourism in Dowerin

I look forward to having people trust me to take their concerns to council.

Regards,

Wayne Allsopp
