

Candidate Details

Ballot paper name

GRAFFIN, Jen

Candidate name

Jennifer Anne GRAFFIN

District

Shire of Dowerin

Nominating for

Councillor for Shire of Dowerin

Election type

Ordinary

Enrolment status

GRAFFIN, Jen is eligible to stand for election as a resident of the Shire of Dowerin.

I would like to support the town that raised me and join the team on the Shire Council. I believe that local people working together is what makes Dowerin a great place to reside.

I feel grateful for the community focussed upbringing my parents gave me. I raised my own children here and they benefitted from the education, sporting and social activities offered in the town. Married to a local farmer, I have a clear understanding of the opportunities and challenges in our community.

Being an active citizen is important and in the early days of the Community Resource Centre I was the committee Chairperson. I have a strong allegiance to the Dowerin District High School where I was a student, teacher and Deputy Principal and now sit on the School Board.

During my career in education I have been a Principal in rural and city schools. Other roles were Director of Education for the Wheatbelt Region and Director, Public School Review which developed strong interpersonal and collaboration skills.
