Attachment: 1. Annual Report 2014 – 2015  
2. Auditors Report by Ms Leanne K. Oliver  
3. Minutes (Unconfirmed) of the Shire of Dowerin Audit Committee Meeting held on 15 June 2016

#### Summary

For Council to consider and if acceptable receive the Annual Report for the year ended 30 June 2015 for the Shire of Dowerin.

#### Background

Section 5.54 'Acceptance of Annual Reports' of the Local Government Act 1995 requires an Annual Report to be accepted by Council by 31 December in each year unless the Auditors Report is not available in time. The Local Government Act 1995 Section 5.54(2) requires that if the Annual Report is not accepted by the Local Government by 31 December then it must be presented within two (2) months of the Auditors Report becoming available.

Given the circumstances surrounding the finalisation of the financial statements for 2014/15 and the inability to secure an Auditor's Report before December 2015, the Shire was not able to achieve compliance with that timeframe.

Since the finalisation of the Forensic Audit in March 2016, the focus has been on reviewing all accounts to ensure accuracy of financial data. This review has been completed and the Annual Financial Report for the year ended 30 June 2015 was presented to the Shire of Dowerin's auditor for audit. The Audit was completed by the Shire Auditors and signed off on 10 June 2016.

It is a requirement for Council to receive the Annual Report within two months of the Auditors Report becoming available and as such the Annual Report is now presented for Council consideration and should it be acceptable to Council, officers seek a Council resolution to adopt the 2014/15 Annual Report.

Should the 2014/2015 Annual Report be received by Council, it is intended to hold the Annual Electors Meeting on 30 June 2016 at 7.30pm.

#### Comment

The Auditor's report shows that the Shire of Dowerin failed to meet the obligation to review all infrastructure assets to fair value by June 2015 and to include the Asset Renewal Funding ratio as required by the Local Government Financial Regulations 1996. Apart from these two matters, the Auditor's report shows that the Shire's Financial Statements are compliant with the Local Government Act (1995) and the Local Government Financial Regulations (1996); were prepared in accordance with Australian Accounting Standards; and are a fair and true view of the Shire's financial position as of 30 June 2015. See attached Auditor's Report and accompanying letter.

In addition to the written report, the Auditor provided the Audit Committee a verbal report (in response to questions from the Audit Committee) that clarified the following:

Fraud:

- In the Auditor's view nothing in the audit sampling caused concern for the Auditors;
- As far as the Auditors could ascertain, everything was being presented to Council;
- The Auditors did not come across anything that indicated fraud.

Ratios:

- The Shire appears to be performing well according to most financial ratios:
- The Operating Surplus Ratio could be improved – but it is not overly concerning;
- In general the Ratios are trending in the right direction.

Revaluation:

- Revaluations that were due were not completed. The Shire could chose not to complete revaluations but that would put the Shire in breach of the Department of Local Government's requirements.
- Revaluation of Plant and Equipment is due by 30 June 2106.

Legacy issues:

- The Asset Register listed assets which the Shire had already disposed. This report shows that the Asset Register has been brought up to date.

### Consultation

The Audit Committee has reviewed and recommended the adoption of the Annual Financial Report at its meeting held on 15 June 2016 – see attached. Council is required to hold an Annual Electors Meeting within 56 days of acceptance of the Annual Report. Pending Council's adoption of the Annual Report, the Annual Electors Meeting has been scheduled to take place on 30 June 2016 at 7.39pm in the Town Hall.

The Annual Electors Meeting has been advertised as follows:

- Dowerin Despatch – 16th , 23rd & 30th June 2016 ; and

- Notices on Shire and Community Notice Boards, Facebook and the Shire of Dowerin website.

Financial Implications

- The cost of the Audit was met within current budget allocation for the Shire Auditors.
- The cost of production of the Annual Report was negligible and met with current resource allocations.

10.1.2 DOWERIN EVENTS MANAGEMENT EQUESTRIAN FACILITY PROPOSAL

4. Equestrian Facilities Request Letter from DEM
5. Plan of proposed equestrian facility
6. Landgate Site Map
7. Letter to residents
8. Letters from residents (Confidential)

Summary

This item presents a proposal from Dowerin Events Management Inc. in relation to the development of an equestrian facility for Council consideration.

Background

On 13 May 2016, Dowerin Events Management Inc. (DEM) wrote to the Shire seeking permission to establish an equestrian event facility at the site of the old tennis courts on Memorial Avenue.

The facility is proposed to be a permanent 65x25m horse arena along the southern side of the old tennis courts and a 15x15m arena along with 22 yards along the eastern side (see attached plan and site map). The main purpose of these facilities would be for use throughout the Dowerin Field Days with an option to also hire out the facilities throughout the year to instructors and different groups wanting to conduct clinics and small competitions.

The advice from DEM is that clinics are usually limited to around 10-15 horses/riders and a limited number of spectators. The proposed facility could host larger events with the maximum number of around 30 horses/riders.

In their application, DEM advised that equestrian events are not loud and participants are required to clean up after themselves (manure must be cleaned up at all venues). The only potential issue is dust, but this could be easily managed with a sprinkler system on hot and windy days. However, DEM has also noted that if these events became an issue for nearby residents they would limit the use of the facilities to Field Days only.

The preferred site is a portion of Lot 35 Memorial Avenue/Assessment No A662 (Crown Land Record Volume 58951 Folio 34). A check with Landgate had confirmed that the area is leased to the Shire of Dowerin on a 999 year lease for the purpose of "Recreation, Racecourse and Agricultural Show Grounds Activities" (lease number I1506098) with the area subject to a sub-lease to Dowerin Events Management Inc for a period of 21 years commencing 1 April 2005 and expiring on 31 March 2026 (sub-lease number J317424). The permitted use under the sub-lease is "Preparation for and hold of the Events".

Comment

Officers note that there are limited facilities for these types of events in the Wheatbelt; therefore this proposal could be a good opportunity to attract people to our community and add to the economic and social vibrancy of Dowerin and would add another dimension to event attraction for Dowerin. The proposal is consistent with the strategic direction of Council as outlined in the Strategic Community Plan which has a strong focus on growing tourism and partnering with key stakeholders to provide quality events.

Consultation

To ensure Council is fully briefed for their decision-making the Shire wrote to all residents in the immediate vicinity of the proposed facility to ensure they were informed of the proposal and seeking views. Immediate residents were invited to make a submission in writing before the closing date for submissions is 10 June 2016. In the same letter, residents were advised that the matter would be put to the Council meeting on 21 June 2016. The CEO received one phone call from a resident who received the letter and was generally in favour of the proposal but was seeking further information. This resident was provided information and also advised to speak with Dowerin Events Management Inc. Two letters from residents were also received – both letters were in support of the proposal.

The site was the proposed site for a new Bush Fire Shed if the current grant application for a new shed is successful. However, the Shire has consulted with the Chief Bush Fire Control Officer and identified another site for the Bush Fire Shed should the grant be successful.

10.1.3 DOWERIN COMMUNITY CHILDCARE INC. PROPOSAL

	10. Table of current and proposed costs ;
	11. Profit & Loss Financial year to 15-04-2016, for Dowerin Community Childcare Inc.

Summary

The Dowerin Community Childcare Committee has approached the Shire to discuss options for future support from the Shire to ensure the ongoing sustainability of the Child Care Centre known as Lil' Tigers Early Learning Centre (thereafter Lil' Tigers). This report provides background on this community-run facility and seeks a Council decision in terms of ongoing support and resource allocation to Lil' Tigers.

Background

In 2009 the Shire's Community Services Officer and former CEO met with a group of community members who expressed interest in working together to set up a child care facility within Dowerin. In October 2010, the Dowerin Community Childcare Committee (thereafter the Committee) was established, comprising of volunteers. Over a five year period the Committee fundraised in excess of \$30,000 and with the support of the Shire, work camp, various industry professionals and local volunteers managed the fit out and set up of the Lil' Tigers Early Learning Centre on Cottrell Street.

Lil' Tigers Early Learning Centre opened the doors on 26th March 2014 and has become an important service to young families, employers and businesses in Dowerin since its inception. This service currently provides employment for five qualified members of staff and is licensed to take up to 17 children per day of operation (Wednesday – Friday). Numbers of children utilising the service fluctuate week by week however on average since February 20 children attend the service each week of operation over the course of the three days of operation.

Lil' Tigers operates under a voluntary incorporated committee (Dowerin Community Childcare Inc.) who are responsible for everything in terms of the employment of staff, invoicing, adhering to licensing standards and continuing fundraising efforts. The Committee employs a Centre Coordinator who oversees general operation of the facility including basic administration, staff ratios, policy development/implementation and reporting to the committee.

The Shire currently provides significant support for Lil Tigers and the Committee – this support is detailed below. Some of this support has evolved over time and not been formally considered by

Council. This report aims to clarify the current arrangements for Council and seeks a Council decision for the form and level of ongoing support.

The report was initiated as the result of a recent meeting between the Committee and the CEO at which time the Committee advised that they are concerned that the current model, which places a significant workload on volunteer Community members, is not sustainable, particularly if Lil' Tigers continues to grow. The Committee advised that they would be seeking a formal agreement for ongoing support from the Shire. The attached document (attachment 1), prepared by the Committee provides a comprehensive review of the background, current status and future options for Lil' Tigers.

#### Comment

Councils are mandated to respond to the specific needs of their current communities within the Community's capacity and willingness to pay. Community needs are established through community surveys, meetings, interviews and public feedback and as a direct result of that input Council's develop and articulate their strategic direction. The Dowerin Strategic Community lists "Continue to support the development of the Dowerin Community Child Care Facility" as a specific strategy. This is further articulated in the Shire of Dowerin Corporate Business Plan.

This strategic direction is currently enacted by provision of the following support by the Shire:

- Rent and rate free venue for Lil' Tigers;
- Providing the necessary skills and resources to assist with renovating the facility in order to suit National Standards for a long day care facility;
- Allowing payroll to be conducted through the Shire of Dowerin's existing payroll system ensuring that costs such as insurance and workers compensation are covered through the Shire of Dowerin;
- Providing advice in relation to Human Resource services such as employment awards/conditions/contracts;
- Meeting the costs of utilities (power, water and gas) to ease the burden on the fundraising efforts of the committee;
- Allowing the flexibility of existing shire administration staff to assist with staffing issues at Lil' Tigers when staff cover has been required;
- Providing full treasury functions, including banking and administration support: and
- Photocopying and printing.

The Committee has considered options for future sustainability with two options outlined in the attached report. Option 1 is the model preferred by the Committee. Option 1 includes the following:

The Dowerin Community Child Care Committee continues to manage the facility as a community based not for profit model sponsored by the Shire of Dowerin.

This option is designed to enable the existence and long term viability of the Dowerin Community Child Care Committee however the pressure, stress and legal ramifications on unpaid volunteers will be significantly reduced.

This model is not dis-similar to the operation of Lil' Tigers at present, however it would provide a much more formal approach to operations.

Specifics of the proposed model are outlined below:

- Dowerin Community Child Care Inc. would remain licensee of the facility enabling the Committee members to act as supervising officers should this be required;
- Dowerin Community Child Care Inc. would take back the role of Treasurer and would handle the finances of Lil' Tigers (NB: During one-on-one meetings between Councillors and the CEO, several Councillors requested greater transparency in financial management of the Dowerin Community Child Care Inc. This proposal would require annual audited statements from Dowerin Community Child Care Inc. which the Shire would review and formally present to Council).
- Dowerin Community Child Care Inc. would manage all fundraising and educational programming for the Centre;
- Dowerin Community Child Care Inc. would ensure appropriate insurance cover (e.g. public liability and contents insurance).

The Shire would provide the following to ease the financial and management burden on the Committee:

- Rent and rate free venue for Lil' Tigers;
- Insurance and maintenance of the building and grounds in accordance with the Shire's standard lease agreements.
- Meet the costs of utilities (power, water and gas);
- Photocopying and printing;
- Assume responsibility for all Human Resource (HR) management for staff of Lil' Tigers including interpretation of awards conditions and entitlements, grievance management, performance management and processing of payroll where the Dowerin Community Childcare Inc. commits to reimbursing the Shire for the following costs:
  - Wages and leave payments, eg personal, annual and long service leave, public holidays;
  - overtime and other penalty rates;
  - shift loadings; and
  - other cash allowances.
- Coordination of training on a cost recovery basis where the Dowerin Community Childcare Inc. commits to meeting the costs of mandatory training for Lil' Tigers staff;
- Staffing on-costs such as workers compensation insurance and payroll tax;  
(NB: Currently, all Lil' Tigers employees are in fact, employees of the Shire of Dowerin however no formal arrangement has ever been put into place. This proposal formalises the current arrangement.)

Note: The cost of current and proposed services provided by the Shire can be found in the attachment 2.

Consultation

The CEO has met with the Committee to discuss their concerns and proposal.

Financial Implications

The cost of the current level of service support provided by the Shire to Dowerin Community Childcare Inc. costs the Shire approximately \$24558 per annum.

The estimated cost of the proposed level of service support from the Shire to Dowerin Community Childcare Inc. would cost the Shire approximately \$22908 per annum.

See attached document for a breakdown of these cost estimates.

There is slight decrease in Shire resources required to implement the proposed subsidy model; therefore the proposed model can be implemented without any impact on the operational budget.

12. Tender evaluation report (Confidential)

Summary

The item seeks Council consideration of the tender evaluation report for RFT 01/2016 Architectural Services Dowerin Short Term Accommodation Project and Council approval to award the tender to the preferred tenderer.

Background

The background to and justification for the Short Term Accommodation Project was articulated in the May Council agenda item and at the Council Meeting held on 17 May 2016, Council resolved to progress with the project.

Comment

In accordance with the Council resolution, a tender was prepared in consultation with the Short Term Accommodation Working Group.

The tender was advertised in the West Australian newspaper on Saturday 28 May 2016. Tenders closed on Monday 13 June 2016 at 12noon. 10 tenders were received by the closing time.

The tender assessment panel consisted of Sonia King, Finance Manager and Dowerin Events Management Board Member ; Steven Geerdink, Works Manager, Louise Hagboom, Community Development Officer ; and Linton Thomas, Building & Health Surveying Services contractor to the Shire.

Tenders were assessed against the following compliance requirements:

Compliance Criteria:

- A. Compliant with the Specification contained in the Request.
- B. Compliant with the Conditions of Tendering this Request.
- C. Compliant with Insurance requirements (Clause 4.2.9)
- D. Compliant with and completion of the Price Schedule.

Of the 10 tenders received 9 were compliant and therefore assessed against the following Qualitative Criteria (Scored):

- E. Demonstrated Understanding
- F. Relevant Experience Completing Similar Projects
- G. Project Methodology
- H. Resources of the Organisation

Following the assessment, the tender panel selected a preferred tenderer. See attached confidential Tender Evaluation Report.

The Tender Panel's Tender Evaluation Report has been reviewed and endorsed by the CEO.

#### Consultation

The Short Term Accommodation Working Group was invited to review the draft tender documents to ensure the documents reflected the project objectives and Council's direction.

#### Financial Implications

The available budget for Professional Services component of the Short Term Accommodation Project is \$228,525.00 including GST.

The preferred tender price is within the available budget noting that the Professional Services component of the budget (\$228,525.00 including GST) will also be required for other professional services being:

- Structural & Civil Engineering Services ;
- Mechanical Services ;
- Electrical Services ; and
- Hydraulic Services.

#### Policy Implications

Council has an adopted Policy with respect to Procurement which stipulates purchasing thresholds with purchases over \$100,000 requiring a public tender process and for Council to select and approve the tenderer. The process is compliant with this policy requirement.

#### Statutory Implications

Section 3.57 of the Local Government Act 1995; Local Government (Functions & General) Regulations 1996 prescribe the manner in which tenders are to be assessed. The process has complied with this statutory requirement.

#### Strategic Implications

Aligns with Strategic Community Plan:
